

The Lower Hudson Education Coalition (LHEC) is counting on your school district's 2021-22 subscription as we begin a new year of action advocacy. With the continued support of school districts in our region, the LHEC will pursue a cohesive, proactive advocacy plan to address the issues that affect our districts.

WHO WE ARE

The school districts in our four counties - Dutchess, Putnam, Rockland, Westchester - are diverse in terms of size, wealth, and demographics, yet we have much in common when it comes to advocating for students and on behalf of school districts. As one of the few regional coalitions of superintendents and board members, the LHEC provides a united voice with a regional message focused on public education.

ADVOCACY STRIDES

The LHEC's continued partnership with Ostroff Associates, an Albany-based government relations firm, has permitted the LHEC to advocate more effectively with the Governor's office during the pandemic state of emergency, local county legislators and health officials, and, of course, the state legislature. Ostroff's relationships with key staff provide opportunities to share LHEC priorities and give input on emerging issues. In the past year, advocacy efforts on behalf of our region included:

- Meeting on a regular basis with legislators and key staff to share the priorities of the LHEC.
- Ongoing discussions regarding school aid and advocacy at the state and federal level for public education funding.
- Tracking the path of education bills awaiting the Governor's signature.
- Focusing support for legislation that targets current issues affecting individual districts and the region.
- Support for Special Act Districts on budget and pandemic-related legislation and implementation.
- Assisting individual districts with navigating the administrative and legislative processes of Albany.

SUBSCRIPTION BENEFITS

Our collective effort of Superintendents and Boards of Education, working together to share information and advocate on behalf of the public schools we represent, ensures LHEC provides subscribers with:

- A united voice on behalf of public education.
- Access to information and advocacy through a leading Albany-based government relations firm.
- A clearinghouse for regional legislative activities and resources for districts.
- An annual advocacy agenda tailored to the needs of our region.
- Support and resources in Albany to address local issues.

WHAT'S YOUR ROLE?

The LHEC needs the financial support of every district in our four-county region. Your district's annual \$925 subscription fee (increased slightly for the first time in over 15 years) provides us with the means to serve as a regional leadership hub and spearhead a comprehensive, well-defined advocacy plan in partnership with Ostroff Associates. Thank you in advance for your participation in our regional coalition. Our collective efforts make a difference for public education and the students we serve.
