MEMO IN SUPPORT

S.7156 (Reichlin-Melnick)/A.7953 (Zebrowski)

The Lower Hudson Education Coalition supports S.7057 (Harckham)/A.7179 (Weinstein), to authorize the Town of Clarkstown to accept an application for exemption from real property taxes from the Nyack Union Free School District.

The property tax exemption would apply to a parcel of land purchased by the district for purposes of easing parking congestion at Nyack High School, and allowing more students and families to enjoy athletic events, commencement ceremonies, school productions and other extra-curricular activities.

LHEC supports the signing of S.7156/A.7953, to allow for the retroactive real property tax exemption of this land.
